

Times-2 Speed Files®

New Interconnect Feature

Times-2 Speed Files are double depth, locking file cabinets that rotate for access from one or both sides. Times-2 saves you time, money, *and* space.

Now you have true design freedom: link multiple height units to shape your individual space.

Space Planning Made Easy!

The New Times-2 Interconnect feature* makes space planning simple as 1-2-3!

Connect variable height units to configure Times-2 to suit any unique application and save valuable floor space, too.

Shown here are front and back views of a 5-Tier, 3-Tier and 2-Tier ensemble.

This combination of units features storage for:

- Top Tab, End Tab, or Hanging File Styles
- Binders
- CD-ROMs
- General Office Supplies
- Personal Items such as Coats, Shoes, Umbrellas in Wardrobe Tower
- Extra Sensitive Documents or Valuables in Locking Security Drawer

Each unit locks individually and can be ordered with single or dual foot pedals or release handles for ADA compliance.
